

**Eligible Shareholding Registration Process**

- 1- Shareholders need a minimum of 100,000 new share position (shares purchased after February 13, 2020) to be eligible for the special dividend and will need to register for the hashing dividend.
- 2- The company will validate on a regular basis the information received from banks and broker dealers the Non-Objecting Beneficial Owners (NOBO) list as well as the shareholder names and addresses of record as per SEC Rules 14b-1 & 14b-2
- 3- Upon completion of registration and KYC and AML procedures, shareholders can direct hashing to their previously registered mining pool account. The pool will then transfer digital assets to shareholders' wallets according to the pools' respective procedures.
